In view of at least the foregoing, Applicants respectfully submit that claim 107 and those claims that depend therefrom are in condition for allowance.

**III.           Dependent Claims**

Applicants do not believe it is necessary at this time to further address the rejections of the dependent claims as Applicants believe that the foregoing places the independent claims in condition for allowance. Applicants, however, reserve the right to further address those rejections in the future should such a response be deemed necessary and appropriate.
